# LIST OF WAR CRIMINAL SUSPECTS

held in

## SOUTH EAST ASIA COMMAND

as at

20th February, 1946

1. The list is being published in sections and is a nominal roll of War Criminals, suspect War Criminals, Kempei Tai Gendarmerie and members of other Police or Intelligence organizations now in custody. Appendix "A" will consist of War Service Histories arranged in alphabetical order by gaols. Amendments and additions to both the list and Appendix A will be issued as and when necessary.

2. Inaccuracies encountered throughout the list should be pointed out to War Crimes Registry HQ ALFSEA. Duplication and incorrect spelling of names has been unavoidable. Location of suspects will sometimes be wrong where these have been transferred whilst the list was at the printers. In every instance, they will be brought to the notice of War Crimes Registry.

3. A number of War Service Histories are still missing. *Formations* ~~Investigation Teams~~ will complete these as soon as possible and forward them to the Registry for inclusion in the amendments. These will be compiled from screening and detention reports or from detailed interrogation if necessary.
